is better and more logical.  
 I am ~~not~~ <sup>more</sup> particularly pleased  
 with the ~~other~~ <sup>one</sup> but may  
~~not~~ <sup>not</sup> object to it as it is.  
 I will send the ~~other~~ <sup>one</sup> to you

 You will be ~~and~~ <sup>and</sup> we will be ~~and~~ <sup>and</sup>  
 it will be ~~and~~ <sup>and</sup> we will be ~~and~~ <sup>and</sup>
